THIS IS JUNK WEEK FOR DALY CITY AREA

Grammar School Pupils Are Official Collectors

One of the most important salvage programs since the start of the war, the scrap salvage campaign in Daly City is drawing to a close as R. L. Crane jr., chairman of the Salvage for Victory committee proclaimed this week to be Junk Week in Daly City.

A direct appeal was made to the residents of this community by the committee for the contribution of any and all pieces of junk that can be converted into war material and used in war production. School children of Daly City are the official collectors of junk this week. Your contribution to Daly City's part of this campaign can be made by giving the junk to any grammar school pupil. The junk is taken to the school where it remains until a pickup is made.

By far the most serious shortage that threatens to slow up production of America's war materials which supply the far flung battlefronts of the Allied forces is the shortage of metal. War Production Chief Donald Nelson warned that production will be hampered badly unless scrap and junk can be kept freely flowing into the nation's steel mills to produce war materials; not only a steady flow but it must be increased each time with expansion in production.

Consequently every available bit of scrap in Daly City, as well as in the nation, must be collected and sent on its way to the production lines. This duty, small in comparison to others in this war, is first and foremost the job of every resident of this community, Crane pointed out. There is no other way of getting every bit of that scrap except for everyone to join in the drive.

With the drive ending this week, the collection depot on Mission street will be closed, and a pickup will be made of the scrap metal which was deposited there.

Give your scrap and junk to a grammar school pupil today!

Two New Coaches At Jefferson High

Following the resignation of Milton Axt who was appointed only last year as football coach, Jefferson Union high school athletes faced two new mentors in Coach Glenn South and Coach Elman Rose, Monday, when the new school term opened. The new appointments marked the fourth and fifth coach to serve the school since the start of last year's term.

The two men who will guide Jefferson's athletic destiny in this year's Peninsula Athletic league are the products of Northern California schools. Coach South, who will coach football and baseball, is a graduate of Stanford university, having played his last season of football under the famous Clark Shaughnessy. Coach Rose, basketball and track head, was educated at Santa Rosa Junior college and the University of California. He was active in all sports at the two schools.

Both instructors in their undergraduate careers saw sport fame at their school. Coach South, a halfback for three years under Coach "Tiny" Thornhill, before Shaughnessy, climaxed his athletic days when he played in the Stanford-Nebraska Rose Bowl game in 1940—the last Rose Bowl game that was played.

Coach Rose was an all-conference guard in the Northern California Junior College conference while he played football at Santa Rosa Junior college. Following graduation he coached for two years at Lassen high school and junior college. For the next two years he coached at Weed high school where he developed three conference championship basketball teams out of four weight divisions in a single year. The fourth division team coached by Rose lost out by one point.

Physical education classes for boys will be supervised by the two coaches.

Tin Can Pick Up Is Set For Friday

With the opening of the school year, grammar school pupils in Daly City schools will resume their duties as official collectors for the local tin can drive.

The first pickup of tin cans by the pupils will be made Friday when all local residents are asked to turn their box of tin cans over to the pupils. Cans will be taken to the school where the city truck will pick them up and transport them to the metal thermite plant for re-processing.

During the summer vacation months when school was not in session, the tin cans were picked up in Daly City on the first and third Sundays on street corners. Crane urged everyone to give their tin can collections to grammar school pupils and eliminate the necessity of pickups on street corners.

Name Police Chief To Issue Permits

Police Chief James G. Reardon will handle travel permits and curfew exemptions for all German and Italian aliens residing within Daly City limits, it was announced Friday following an appointment by Arthur J. Bodien, director of the Civilian Defense Council.

The local defense council was designated by the FBI as the agency to handle alien permits. Only in definitely justifiable cases will permits be granted. All permits for traveling from the five mile limit for Italian and German aliens and all permits for being exempt from the 8 p. m. curfew laws are subject to conditions prescribed by the FBI as being justifiable.

Will Observe Two Holidays Locally

Two holidays next week, Labor Day on Monday and California's Admission Day on Wednesday, will be observed by Daly City banks, schools, and city offices.

Both Jefferson Union high school and all grammar schools in the Jefferson Elementary school district will be closed on Monday, Tuesday, and Wednesday next week, observing both holidays and not meeting on the intervening day.

All city offices in the city hall will be closed on Monday and Wednesday with the exception of the police department.

Both Daly City and Colma branches of the Bank of America will close on the two holidays. The Daly City post office will be closed on Labor Day but it will be open on Admission Day.

Smashes Glass Panel; And Winds Up In Jail

After smashing the glass panel front door of Tiny's Inn, 6045 Mission street, Fred Simonds, San Francisco, was arrested and jailed by Daly City police early Friday morning following a call from an unknown party that a burglary was being attempted at the inn.

Simonds was described by officers as being under the influence of liquor and covered with blood when the arrest was made. He was taken into custody after Tony Schulba, 6024 Mission street, a witness, identified him as the man who broke the glass panel. Schulba was returning home from work at the time.

Earlier in the evening, at the bar, Simonds engaged in a brawl with two soldiers, according to police. After the fight was broken up, Simonds was ordered to take a cab home.

When police questioned Fred Lasker, bartender at the inn, he also identified Simonds as the man who broke the window. "Tiny" Britton, proprietor, declined to file a complaint. Simonds was later released.

CAREFUL!

"Slow down, children crossing!" is the warning this little girl gives all motorists. She is stationed at street crossings near Woodrow Wilson and Pershing grammar schools. With the opening of schools this week, the Daly City Police department urges all motorists to drive slowly and be more careful in school zones in order to make street crossing safer for children.

Motorists who find it necessary to drive at night are also warned to cut down their speed since dimout restrictions reduce visibility while driving. Fast driving at night is more hazardous now than ever.

Blaze Breaks Out In Colma Market

A blaze which broke out at Casentini's Jefferson market in the Colma district, Sunday afternoon, nearly developed into a two-alarm fire when two companies rushed to the scene and a third was called.

Fire Chief A. P. Chesney found it necessary to send out a special call for Company 2 of the Daly City Fire department to aid in salvage work, although it was Companies 1 and 6 that put out the blaze. The special call, as it turned out, did not require a second alarm, since additional men were all that was needed.

Firemen were forced to wear masks while fighting the fire in the smoke filled store-room at the rear of the building. Believed to be coming from burning ammonia pipes in the refrigeration plant, smoke made visibility poor and hampered firemen in fighting the blaze.

Wiring from the refrigeration plant was believed to have been the cause of the fire. Insulation from the wiring had burned and sulphur containers on the stock shelves were burning when firemen arrived.

Two pumpers from Companies 1 and 6 were summoned to the scene when the fire department received the call. Sergeant Ricco Benedetti, Officer George Savage, and Officer Roland Petrocchi of the Daly City Police department also responded.

Asked about how much damage was done, Chief Chesney reported that there was no serious loss, adding amusedly, "It's hard to estimate damages to buildings and stock the way prices change around."

D C AIR RAID WARDENS GO ON DIMOUT PATROL

Colma Volunteers Qualify For C. D.

Better than 85 per cent of the total number of volunteer workers in the civilian defense corps of the Town of Colma have completed the basic training in first aid, fire defense, gas defense as well as general civilian defense procedure.

"We consider this a fine accomplishment on the part of the volunteers," said John H. Price, director of civilian defense. Price, with the assistance of Bradford Welch, assistant director, was instrumental in both the organization and the training of Colma's volunteers.

A valuable addition to this organization is the newly formed all women first aid team, prepared to move as a unit on short notice to a scene of disaster to render immediate first aid and to (Continued on Page 2)

Plans Nearing Completion For Civilian Defense Day

Parade marching units are making entries, first aid classes are nearing completion, a speaker's platform will be erected, and all preparations are being made this week as Civilian Defense Day, Sunday, September 13, draws nearer.

On that day, when civilian defense volunteers will receive their certificates for having completed 90 hours of basic training in first aid, gas defense, fire defense, and general defense, Daly City will honor her civil protectors with a big show of fanfare and color. A parade will open the day's festivities climaxed by the presentation of certificates to the "graduates."

Practically all of Daly City's service organizations, fraternal groups, and social clubs will be represented in the parade. The Daly City Band, under the direction of George Brenner, conductor, will furnish the music for the procession along Mission street on Civilian Defense Day.

Following the presentation to volunteers, speeches will be made by several city officials and state defense authorities. Many San Mateo county organizations and officials are expected to participate. Hugh Smith jr., Daly City councilman, is chairman of the day.

Five Auxiliary Firemen Will Give To Blood Bank

Next in line among Daly City firemen who are contributing a pint of blood each to the San Mateo County Blood Bank, where frozen blood plasma is stored for use in blood transfusions, were five auxiliary firemen this week.

The five civilian defense workers who volunteered for fire duty are members of the Auxiliary Company 4. They were scheduled to go down to Mills Memorial hospital, blood bank center, yesterday to donate their blood. Captain A. L. Sundstrom, Daly City Fire department officer, who is supervising a campaign for blood donations among members of the department, gave the following names of donors: Downie, Barazota, Madrid, Crosthwaite, and Blythenstein.

Within the next few weeks Company 2 firemen plan to add their blood to the local department's swelling quota of contributions. They were ready to go down to be typed next week until two holidays prevented it, since the bank will be closed on Monday and Wednesday. The fourteen men from Company 2 who will give blood will be split into two groups to go down on separate nights, Sundstrom said.

Walter Hutchings Blanchard jr., Oakland, and Mary Alice Singleton, 121 Garden Lane, Colma, applied for a marriage license in Alameda county, August 27.

Civilian Defense Workers Enforce Army Regulations

Full coverage of the city on dimout regulations is made each night by Daly City air raid wardens, enforcing the army ruling for keeping all lights out in outdoor areas and dimming those in homes and on cars where the reflection is visible from the sea.

The wardens of this city patrol their sectors from dusk to nearly midnight each night when night traffic is heaviest and when residential lighting rules are more apt to be violated.

Chief Air Raid Warden Harry Melicker, in assuring enforcement of the army order, declared that each senior warden is responsible for seeing that his sector is patrolled adequately each night. If it is a large sector he assigns as many wardens at a time as are necessary to cover the district. In some sectors the wardens patrol in pairs. In the smaller sectors one warden is enough to cover the area. Shifts are split up so that wardens do not find dimout patrol duty a burden.

After a partial check of the sectors, Melicker reported good results in wardens staying on the job on their assigned nights. He also added that residents abide by the ruling for Pacific coast lighting in good faith. There are of course exceptions to this, Melicker said. At one residence in particular wardens had to make three trips to get a light extinguished.

Other unfavorable reports which reached civilian defense officials this week was the failure of many motorists to cut down speed while driving on Mission street.

Hope South End Rehearsal Is Better

Last week, after a civilian defense rehearsal involving ten incidents in the northern and western sections of the city, the results of which proved to be anything but encouraging, the Civilian Defense Council looks for so-lace in tonight's demonstration in the south end of Daly City.

Again the incidents are being planned with much secrecy and deception to test the ability of volunteers to discharge with speed and accuracy their duties in the event of a bombing. Air raid wardens will be tested for getting all the details of a bombing in their sector and presenting it to the control center in a comprehensive report. Auxiliary police officers will be tested in drawing police lines at the scene of the incident. Auxiliary firemen and regular firemen alike will be tested for combatting incendiaries. The telephone operators, Civilian Defense council, and messengers will get another active workout in dispatching services to disaster scenes.

Failure of last week's drill was shown in nearly every department of civilian defense with an unusual number of mistakes appearing. The council, as a whole, was firm in the conviction that there is much work yet to be done in civilian defense.

Probably the most outstanding aspect of the entire drill last week, which showed up almost at every turn, was the good old fashioned "passing the buck" game. A flare was dropped in the middle of the street bounding two air raid warden sectors was carefully ignored by wardens in both sectors involved. The old "Let George Do It" idea was at its best Thursday night.

First aid units refused to admit patients in their headquarters for reasons unexplainable. Whispered instructions from an "unconscious" casualty to a first aid worker about how to apply bandages were evident in the corridor of the city hall where "casualties" were laid out. The "casualties" were first aid workers from other sectors not involved in the drill. Purpose of selecting (Continued on Page 6)

take over the responsibility of seeing that the injured are properly cared for.

At the request of the regional director of the Ninth Civilian Defense region, this local council has taken over the issuance of permits to aliens and has named City Judge Clarence E. Lowe as permit officer. Aliens desiring information about permits should apply at the Town hall on week days between the hours of 9 a. m. and 4 p. m.

Starting today the local council opens its scrap metal drive. Each air raid warden will circularize his district with pamphlets urging everyone to collect scrap metal and take it to the scrap pile in back of the town hall. For those who do not have a way to get their scrap to the town hall arrangements can be made to have it picked up, by telephoning the civilian defense office, call DElaware 7713. The drive will continue for a two week period ending on Thursday, September 17. The entire proceeds from the sale of the metal will be used for the purchase of supplies and equipment for the local defense corps.

Make Suggestions For Holiday Travel

Commenting on the transportation situation, particularly as it will affect those who plan to travel over the Labor Day holidays, Mr. F. W. Ackerman, vice president of Pacific Greyhound Lines, pointed out that a heavy extra burden will be thrown on the already overloaded facilities of public carriers. Because of this, Pacific Greyhound is urging the public to observe certain suggestions that will aid in the handling of essential wartime traffic and at the same time help those who must travel and keep delay and crowding to a minimum.

The suggestions offered by Greyhound to those going away over the Labor Day week-end follow:

1. Get full information on trips and schedules in advance.
2. Purchase tickets NOW to avoid the last minute rush at depot.
3. Take as little baggage as possible.
4. Take short trips in preference to long ones.
5. If possible to arrange it, leave before Saturday, and return after Monday.

Mr. Ackerman concluded by urging: "If the Labor Day trip you are planning is for pleasure only, postpone it—BUY WAR BONDS INSTEAD."

Forty Candidates Out For Football

A squad of nearly forty candidates for the Jefferson football team vieing for honors in the PAL answered Coach Glenn South's initial call for practice yesterday.

Yesterday's meeting was a short preliminary session and many of the candidates met their new football coach for the first time, Coach South having been appointed to Jefferson's staff only a month ago.

Although the candidates out for football so far show plenty of enthusiasm, Coach South declared that he has not yet had a chance to view prospects. A large number of veterans from last year's team spent the summer working in defense plants in the Bay Area, according to his predecessor, Coach Milt Axt, and it is likely that some of them will not return to school this year.

Coach South plans to begin practice in earnest with a conditioning program for the balance of this week. The candidates will work out in gym clothes and uniforms will probably not be issued until next week.

A schedule for both PAL games and non-conference meetings has been drawn. However, the new coach said that one or two of the non-conference games

New Gardener At Jefferson High

John Parodi, Jefferson Union high school's new gardener, certainly deserves a medal of honor for the great improvement he has accomplished in three short months.

"Never has the campus looked so beautiful as it does now," said Principal James Ferguson. Anyone seeing the grounds cannot help but agree with him.

A colorful J. U. H. S. has been formed on the front lawn with pansy plants. Beautiful flowers of all description border the grounds, especially the back quad and front of the gymnasium. A new seed bed has been established in order that the grounds may be supplied with flowers throughout all the seasons.

John Parodi has spent 20 years in the flower business and was gardener at Lake Merced golf course before accepting his position at Jefferson. When complimented on his work all Mr. Parodi said was, "I do my best." Which seems pretty good.

are tentative. Following is the schedule: September 25, Tamalpais, there; October 2, Bellarmine, here; October 9, Alameda, there; October 16, Burlingame, there; October 30, Palo Alto, here; November 6, San Jose, here; November 11, South S a n Francisco, here; and November 20, San Mateo, there.

PLEASE DON'T TRAVEL OVER LABOR DAY!

The war can't stop for holidays, but YOU can postpone a pleasure trip! Over this Labor Day war workers must get to jobs as usual. Military traffic must roll regardless. We all must realize: PLEASURE TRAVEL IS NOW A PEACE-TIME LUXURY. Handling additional thousands of passengers over Labor Day means increased strain on already overloaded transportation... handicapping vital traffic upon which victory depends. That's why we say: "DON'T TRAVEL OVER LABOR DAY."

But—if you MUST travel—help avoid crowding and delay

New Classes Open In C. D. First Aid

R. L. Crane, chairman of the local first aid classes, announced two important changes in the present program.

A new class in standard first aid will begin next Tuesday, September 8, with Mrs. Catherine Foreman instructing. All those interested are urged to meet at the Legion hall at 7:30 p. m.

Those attending James Robertson's class which met on Monday evenings, will find some important changes. In the future the group will meet on Tuesday evenings under the instruction of his wife, Mrs. Louise Robertson.

Name Is The Same . . . But What A Difference

The name is the same—BUT what a difference!

William J. Simoncini, former student of Jefferson Union high school joined the army air force—and where was he sent? Why to Jefferson Barracks.

Private Simoncini is a newly arrived soldier at the historic military post at Jefferson Barracks, Missouri. Here he is taking vocational aptitude tests to qualify him for duties either as a mechanic, photographer, radio operator, or for other jobs which help "Keep 'em Flying." Following a period of instruction, this former Jeffersonian will be sent to a

Ainsworths To Salinas

Mrs. Archie Ainsworth and daughter, Beverly, recently moved from 730 Templeton avenue to Salinas where they are establishing their new home. Here they were re-united with Mr. Ainsworth who is technical advisor for the tank battalion at Fort Ord.

Mrs. Ainsworth was quite active as a member of the Vista Grande camp No. 6035, Royal Neighbors of America and had been holding the position of vice-oracle of the order.

Mr. and Mrs. Fred Simoncini, parents of the young man, reside at 115 Irvington street, Daly City.

Daly City Police Recover Stolen Auto

A stolen automobile reported by the San Francisco Police department Auto Detail, was recovered by Sergeant Ricco Benedetti of the Daly City Police department shortly before noon Saturday.

The car, registered to John A. Nunes, San Luis Obispo, was found by Sergeant Benedetti on Market street near First avenue in the Colma district. A radio and the spare tire and wheel were missing from the machine when it was found.

Local police contacted the San Francisco police and the car was held here until arrangements were made with the owner for picking the car up.

Frank Coughlins Home From Trip

Mr. and Mrs. Frank Coughlin and children, Phyllis, Joanne, Wally and Bob, recently returned to their home at 443 Irvington street after a two week vacation tour.

Among the many interesting sights the Coughlin family visited Yosemite, General Grant's Park, King River Valley and Mexico. While in the southern part of the state they spent several days visiting Mrs. Coughlin's sisters, Misses Margaret and Constance Crimmins and Mrs. Tom Babbitt.

Mr. Coughlin is especially known here for his Boy Scout activities.

County Clerk To Compile New Precinct Officer List

Although the list of precinct officers was but recently completed and appointment made for the primary election held August 25, announcement is made by W. H. Augustus, county clerk, that a new list will soon have to be compiled for the general election to be held November 3.

It was further stated by Augustus that although many still seem to think it unnecessary to submit applications in order to be appointed, yet since there have been many who have moved or left for vacation trips, or will be unable to serve on account of illness or business reasons, it should be quite obvious to all that new lists are necessary.

Therefore, new applications for the November 3 election will be accepted between September 8 and 16 by the clerk and considered in the order received.

Formal applications are not required—just a letter written only on one side of a single sheet of paper will do—but the applicant must state whether or not they have previously served as election officer and in what position (inspector, judge, or clerk) and must plainly sign the application in own handwriting with own given name for verification with their registration in this office.

To avoid trouble and embarrassment those with poor eyesight or defective hearing must not submit applications.

Young unemployed persons with clerical experience will be given preference, even though they may have never served as election officers.

As more than 1680 persons are required to complete the lists for the entire county, in time for publication as required by law, County Clerk Augustus urges only qualified electors who feel sure they will be able to serve November 3 to submit applications between September 8 and 16.

Lee Jorgensen, former manager of the Hilltop Lodge, motored down from his new place of business in Quincy to try his luck in dove hunting in this vicinity. He was accompanied by Joseph Rosset and Pat Higgins.

Billion Dollar Theater Bond Drive

Daly City theatre began its first week in the billion dollar war stamp and bond drive now in progress in theatres all over the country.

"Salute to Our Heroes," is the title of the drive and "Buy a Bond to Honor Every Mother's Son in Service" is the slogan of the campaign.

Every man in the service is a hero to someone and the best way to pay tribute to him is to buy a bond to buy him tools for victory. Each one purchasing such a tribute will be given a postal card to address to the man in the service in whose honor the bond was purchased. "I have just bought a war bond and I was thinking of you when I did it," says the card. It is hoped that millions of these cards will go from American theatres carrying a cheering message to men at camp and at far-flung battle fronts.

Henry Combs, manager of the Daly City theatre, asks the co-operation of every person in this community. Several local organizations have already pledged their support and will take charge of the sale during the month.

The American Legion Post and Auxiliary, No. 410, will lead the sale this week. Mrs. R. L. Crane and Emile G. Panika are chairmen. They will be assisted by Vivian Panika, Lyla Eldrup, Anna Welsh, Lesue Hansen, and Kathleen Matzek.

Sunday evening the group will present a special treat to moviegoers. Felix Chapman will give a short speech and the color guard will advance to the stage with the flag of our country, at which time the audience will rise to our national anthem.

Next week, Old Glory post and auxiliary, No. 2044, V. F. W., will be in charge of the bond and stamp booth. Allene LeHigh and Howard McCue are V. F. W. co-chairmen.

Smiling two of the nicest smiles in all Hollywood, George Montgomery and Maureen O'Hara are cast in starring roles in 20th Century-Fox's story of valor and romance, "Ten Gentlemen From West Point," now at the Daly City theatre.

"Ten Gentlemen From West Point"

From one of the least known and most romantic episodes of early American days, 20th Century-Fox brings to the screen the smashing, action-packed story of the United States Military Academy in "Ten Gentlemen From West Point," now playing at the Daly City theatre.

Starring George Montgomery, Maureen O'Hara and John Sutton, the film has been called a rousing successor to "To The Shores Of Tripoli," and boasts a climax which previewers claim will make you stand up and cheer.

It took 20th Century-Fox two years to prepare "Ten Gentlemen From West Point" for the screen, and more than three months to film. The story is set in the days when the future of the Point hung precariously. On the shoulders of ten courageous cadets rested the existence of "the citadel of heroes," and it is to their everlasting credit that they did not fail. They braved the storm of criticism, proved their worth in battle, and enabled America to keep its "Eagle's Nest" intact, so that in future crises America could look to West Point for leadership.

Preview critics awarded the stars lavish praise for their expert performances. George Montgomery has come a long way since his early "western" roles, and a brilliant future is forecast.

Local Resident Seriously Injured Monday

Earl Wells, 60, 121 Westlake avenue, was injured seriously early Monday morning at San Jose avenue and Alemany boulevard where he was struck down by an automobile.

The Daly City man was crossing the street when the car hit him. He suffered a fractured rib, fractured leg, and possible head injuries. He was rushed to Alemany Emergency hospital and later transferred to San Francisco hospital. Driver of the machine, Nello Masetti, San Francisco, was cited for violation of the pedestrian right of way.

New Secretary For Pershing PTA

President Mildred Rasor called her first executive board meeting of the General Pershing P. T. A. last Wednesday afternoon. Purpose of this meeting was to choose a new recording secretary to fill the vacancy left by Mrs. Kathryn Krogh. Mrs. Amelia Simo was chosen for the office.

Mrs. Simo filled her new office for the first time this Tuesday when the P. T. A. met in the General Pershing school. R. L. Crane was guest speaker of the afternoon. Sophie Evans, program chairman, introduced General Pershing's new principal, Winifred McGrath, to the group. Treasurer Margaret Calvin presented the budget for the coming year. It was accepted. Ruth Canier was chosen chairman for the popcorn sale to be held September 25.

President Rasor announced that Nora Clifton, civilian defense chairman for the unit, will begin morning classes next week in first aid. All interested please phone Delaware 6851.

Refreshments were served under the direction of Mrs. Jane Nordgren, reciprocity chairman.

Local 5-Year-Old Boy Dies At S. F. Hospital

Billie E. Sexton, five year old nephew of Sergeant Raymond D. Fuqua, 370 Hillside boulevard, passed away Thursday in a San Francisco hospital. He is survived by his mother, Eva Massie, his father, Clyde Sexton, and two brothers.

Services will be held in his home in Santa Barbara some time this week.

U. A. O. D. MONTHLY WHIST

Hillcrest Circle No. 143, U. A. O. D., announce their regular monthly whist will be held Monday evening, September 28, in the Masonic hall, Daly City.

Co-chairmen Wilma Tringali and Martha Wegner promise many lovely prizes for the lucky winners. Playing will begin at 8:30 p. m. and members and friends are cordially welcomed.

May I take this opportunity to thank all my friends and supporters who worked and voted in my behalf at the August 25 election.

I shall try to merit your continued confidence, and I solicit your further support in the final November election. Again, thank you!

Signed:
John J. Fahey

At Jefferson Union High School

Once more the old walls of Jefferson see the flurry and scurry of a new term go through its first week.

There is a difference, though. A rather bewildered cautiousness seems to envelope the school. And why not!—with 11 new teachers, nearly two hundred new students, a new gardener and a new assistant janitor. Who knows who you might be talking to. It might be a fellow classmate, a visitor or your next period English teacher.

The familiar student body table in the hall is a welcomed sight to any student of Jefferson. For here you know you're meeting a friend when you trade your money for that little yellow card. La Verne Merlo and Beatrice Borden are in charge of it this term and seem to be doing a pretty good job. "One hundred and forty-three were sold by noon the first day," reports Miss Merlo.

"Sabatouge, that's what it is. Somebody deliberately tries to confuse me!" muttered one bewildered youth as he dashed down the hall to the office. Won't someone please tell the new freshmen **right** means **right** and not left on those locker combinations.

At last the teachers may enjoy their noon-day meal in peace and quiet away from the chatter of their charges. A glass partition has been built in the cafeteria for the exclusive use of the teachers. Here they may relax in comfortable, modernistic chairs and eat without fear of some energetic lad or lassie dropping a book in their salad.

Yankee Doodle shot a Jap with a can from mother's stack. What student could think of throwing

away precious tin after looking at that poster every noon period. A pat on the back to the patriotic poet and artist.

While giving out bouquets, let us throw one toward Neil Neilson's victory garden. Due to his efforts with the aid of George Havenstein, the cafeteria has been amply supplied with carrots, cabbage, lettuce, squash and potatoes. When asked about the quantity, he reported about two tons of potatoes had been harvested. Why ask about the rest?

"What are they selling?" this bargain hunting reporter asked two girls standing in line in the lower hall. Quietly, yet firmly, I was informed they were members of Dorothy Smith's short hand class and the room was too small. Ah yes—school has started! Who said it was different?

Expect Ten Teams

In D. C. Bowling League

With seven teams already signed and three more expected to join, the Daly City league will open hostilities in the 1942-43 bowling season at the San Francisco Sport Center, 3333 Mission street, Wednesday night, September 16.

Initial games will get under way at 9 p. m. and the league will hold weekly series in the Mission street bowling center throughout the entire season each Wednesday.

Although the league has suffered the loss of many bowlers to Uncle Sam's armed forces since the close of last season, all teams are ready for action in the race for the coveted gold cup awarded for the championship.

Nearly all of the teams entered were league members last season. One new outfit that will be gunning for the championship, however, will be a team managed by Fred Bertetta who bowled last year with Johnny Dell's championship Universal Press aggregation. The name of the new team had not been announced yet, said R. L. Crane jr., secretary of the league.

them as casualties, in effect, to view with criticism the first aid work, was defeated.

Climax of the night's faux-pas arrived when the city hall was supposedly bombed, demolishing part of the building and putting the control center out of order. No auxiliary control center was set up beforehand and the dispatching of services came to an abrupt stop.

Chief Air Raid Warden Harry Melicker made a noteworthy comment on Daly City's civilian defense situation when he said:

"I'll grant that the incidents in this drill were plenty tough and we got them on short notice; but if the Japs come over here, it's going to be a lot tougher and there isn't going to be any notice!"

Officer George Hopman of the Daly City Police department returned to work yesterday after a two week vacation during which he took a trip through the Redwood highway country with his family.

Telephone Lines Are
the Busiest In History

You Can Help Us to Help You

We want you to know that we are meeting the war emergency with everything we have, but in these critical times delays are bound to occur.

In speeding Victory, the telephone lines are busier—far busier than ever before. We cannot plan and build new lines and new switchboards, as we normally would, because copper and other strategic materials have gone to war in planes, tanks, and guns.

Unnecessary and needlessly long telephone calls should be out for "the duration." War calls must be given the green light.

Your considerate thoughtfulness in making only the most urgent calls is inspiring to all of us who are earnestly endeavoring to uphold the finest traditions of telephone service. May we also ask you to help us further to help you by being brief on all calls, by calling by number when making long distance calls, and by answering calls promptly.

Thank you.

SAFEWAY Homemakers' Guide

★ Three wonderful menus for Labor Day home-picnics ★ A long list of money-saving foods ★ How one wife made one husband a lot happier

Spending Labor Day at home?

Here are some grand home picnic ideas

Whether you spend it at the beach, in the mountains or at home—Labor Day just isn't Labor Day without a picnic. Feeling that more of us would be spending our holiday at home this year than ever before, the Safeway Homemakers' Bureau has prepared these menus for picnics in and around your own back yards.

PICNIC AT HOME

You might set up a kitchen cafeteria, letting everyone serve himself and carry his food on a tray to your favorite outdoor eating spot. Self-service works well for seconds, too.

Choice of Steaming-hot Wieners Grilled Hamburgers on

Toasted Buttered Buns
Lettuce, Sliced Tomatoes and Onions, Mayonnaise, Chili Sauce, and Mustard for Sandwiches or Salad
Freshly-cooked String Beans with Diced Bacon
Apple Pie and Ice Cream
Coffee, Milk, or Punch

PICNIC IN THE PARK

If you boast no back yard, perhaps there's a nearby park where you can take your dinner.

Casserole of Spaghetti, Ham, and Cheese

Take hot or re-heat on spot

Plenty of Potato Chips

Salad Bowl of Mixed Vegetables

Bottle of French Dressing

(Toss salad with dressing just before serving)

Assorted Bread or Rolls—Butter

Dill Pickles

Watermelon Cup Cakes

Thermos of Coffee, Milk, or Lemonade

GARDEN BARBECUE

If you've a barbecue pit, portable or permanent, you've an ideal setting for informal outdoor fun.

*Barbecued Broilers

Barbecued Corn on the Cob
Shredded Cabbage, Carrot, and Apple Slaw with Sour Cream Dressing
Hot Buttered French Bread
Fresh Peach Shortcake with Pour Cream
Iced Tea or Coffee

*Barbecued Broilers

Chicken deluge!

Have meat man cut broilers in halves (allowing one half per serving). Let fire burn down to coals but have grill piping-hot before cooking chicken. Then sear quickly on both sides to seal in juices. Next, let broil about 20 minutes on both sides, or until tender. Baste frequently with melted butter, oil, or melted shortening to supply the necessary fat for flavor and tenderness. Use pastry brush or long stick with clean cloth wrapped around end for basting. Turn chicken with tongs or long-handled fork. Serve as is or with barbecue sauce.

"Don't throw that away!"

That's the name of the feature article in the September 4th issue of Family Circle Magazine. It's all about thrifty cooking. Family Circle comes out every Thursday, free at Safeway.

Bridal Shower For Miss Ruggiero

Mrs. William Silvestri, 1402 Broadway street, San Francisco, was hostess last Wednesday at a miscellaneous bridal shower. The event was in honor of the forthcoming marriage of her niece, Miss Florence Ruggiero to David Harvey Johnstone jr., 6238 Mission street, Daly City.

Friends who gathered to honor Miss Ruggiero were: Mesdames Phillip Ruggiero, David Johnstone sr., Joseph P. Bacigalupi, Carmella Cirelli, Mary Silvestri, Frank Cirelli, Harry Felker, Leo Lombardi, Frank Celillo, Dan D'Amico, Paul Farzia, Ernest Ruggiero, Anthony Juliano, John Campi, Michael Cirimele. Misses Dorothy Silvestri, Alice Cirelli, Mary Raimondi and Norma Cirimele also were present.

The groom-to-be is very well known in this vicinity, having lived here for the past 26 years. He is the youngest son of Mr. and Mrs. David Johnstone sr.

The wedding ceremony has been set for the latter part of this month at the St. Peter and Paul's church, San Francisco.

Following a short honeymoon, the bride and groom will make their home here.

American Legion Whist

Daly City Unit No. 410, American Legion auxiliary announce their regular monthly whist will be held tomorrow afternoon at 2 p. m. in the Legion hall.

In charge of the afternoon's entertainment will be Margaret Kenney, Kathleen Matzek, and Naomi Murphy. Members and friends are welcomed. Cash first prize.

Smith-Forest

Engagement Announced

Add to the romantic list of engaged couples the names of Miss Alice Forest and Arthur Smith, for cupid has been at work again.

The bride-elect is the daughter of Mr. and Mrs. A. Forest of 599 Niantic street, Daly City. She is well known in this vicinity, having graduated from Jefferson Union high school. She is also president of the Campus Co-eds, a popular local girls' group.

The prospective bride-groom is one half of the famous Smith brothers who were former teachers at Jefferson. As a member of the faculty Mr. Smith taught photography, English, and physical geography. He was also the organizer of the popular photography club.

After two years of successful teaching, Smith enlisted in the Army Air Corps, photography school at Lowry Fields, Denver, Colorado, where he is now stationed.

Plans for the big affair have not been completed as yet. Friends may look forward to wedding bells ringing in the near future, however.

How to Feed a War Worker —and that means every one

says Dorothy Greig

For health, eat a variety of foods—soups, meats, vegetables, fruits, eggs, cereals, and milk

ALL of us doing a hard day's work—whether at home, school, in office, shop or factory—are in actual fact war workers, helping to win. The country needs us strong to handle the job. And to be strong, say the Powers-that-be, follow the proper diet.

That means simply—eat a variety of foods. What a blissful way to health!

For instance, every day for everyone: Milk—tomato juice, a big glassful, or orange juice—vegetables, green and yellow, some served raw in salads, some cooked—potatoes—a helping of meat, fish or poultry—whole grain cereals and bread—butter or enriched margarine—and at least 3 or 4 eggs a week.

Spread these foods over the three meals a day and watch the family bloom . . . pink cheeks, shiny hair, firm muscles, lots of bounce. And fewer colds, illness, bad temper, stomach aches and tiredness—which happy state of affairs makes life more pleasant for Ma.

Here's a plan for one dinner that's well balanced and generous with the elements we need.

Asparagus Soup
(prepared with milk)
Grilled Chopped Steak with
Spicy Tomato Sauce
Escalloped Potatoes
Cabbage Slaw
Fresh Strawberries with Cream
Coffee—Milk

The soup offers a way to get in some of the day's quota of milk, for to the condensed asparagus soup just add an equal quantity of milk. The meat, of course, gives you the meat serving for the day and the potatoes, slaw and strawberries are valuable for their vitamins and minerals.

The Spicy Tomato Sauce for the meat is made this way:

1 can condensed tomato soup
2 tablespoons sugar
2 tablespoons vinegar
¼ teaspoon cloves, ground
¼ teaspoon cinnamon, ground

Mix together and heat, simmer for 3-5 minutes to blend the flavors. Makes 1½ cups sauce.

Congratulations are being offered to Mr. and Mrs. John Valierga, Colma, upon the birth of a son in San Francisco, August 21.

An application for marriage was filed in San Francisco, August 30, for Bene Winokur, San Francisco, and Lena Allen, Daly City.

Court St. Mary To Plan Program

Members of Court St. Mary, No. 1155, Catholic Daughters of America, will convene early this evening in regular meeting.

Mrs. Virginia Rengstorff, grand regent, urges all members to attend. The future of the court will be the main topic.

Following this important meeting will be the group's regular monthly whist. Mrs. Lena Walker and Mrs. Delia Kelly will officiate with the aid of their committee. Playing will begin at 8:30 p. m. and the public is cordially invited.

Crocker PTA Meeting

Mrs. Virginia Davidson will welcome members of the Crocker P. T. A. this morning at 10:30 a. m. in her home on 581 Hanover street.

With the aid of the executive board, the group will decide a definite date for the life membership luncheon to be held in the near future at Mrs. Margaret Holzworth's home.

At the executive board's last meeting an important change of plans was announced. Because of Labor Day the regular meeting of September 8 will be postponed until Tuesday, September 15. At this time it is hoped many new Crocker school mothers will be able to attend.

Mrs. Emilie Twesten Sewing Club Hostess

Mrs. Emilie Twesten was hostess to members of the sewing club, Vista Grande Camp No. 6035, Royal Neighbors of America, in her home at 306-A Knowles avenue last Wednesday. She was assisted by Mrs. Gertrude Gehinger.

The group spent a very enjoyable evening sewing and playing Dutch whist. Refreshments were later served by the two ladies in charge.

Members present were: Clarise Scott, Annie Smith, Agnes Wood, Cinderella Wellar, Marie Thompson, Ester Petersen, Doris Davis, Marie Rucker, Mary Sarnack, Esta Meritt, Mattie Putman, Johanna Hedvall, Grace Cooleridge, and Irene Twesten.

The group will meet again next Tuesday at the home of Mrs. Agnes Wood, 39 Mission circle. Mrs. Mary Sarnack will be co-hostess.

Baseball Feud At Marchbank Park

Once upon a time it was the Martins and the Coys; today it is the Daly City Juniors and the Daly City Farrallone Packers. Then it was in old Kaintuck; today it is at the baseball diamond in Marchbank park.

For the feudin' today is about who plays what game with what team. For local baseball fans the Daly City WPA Recreation department offers two first class baseball games Sunday, one between the Daly City Juniors and the Aquatic Park, and the other between the Daly City-Farrallone Packers and the strong Les Vogel Chevrolet team of the Seals.

Mrs. Frances Stuehler Says Thanks To Friends

Mrs. Frances Stuehler, 136 Peoria street, is recovering nicely from a recent illness and expects shortly to be as active as ever. Mrs. Stuehler wishes to send grateful thanks and greetings to her many friends and neighbors who have remembered her with cards, calls and goodies during her illness.

Recreation league in San Francisco.

One game starts at 11 a. m. and the other starts at 2 p. m. Which game starts when? Don't ask us! That's why they're feudin'. Looks like the local teams will have to play each other to climax that feud. 'Else they'll have to commence cuttin' 'n shootin'.

Motorcycle-Truck Crash

John Kester, 433 Westlake avenue, received slight hand injuries Monday afternoon when the motorcycle which he was driving collided with a truck driven by Martin Mohr, San Francisco, at the intersection of Westlake avenue and Miriam street.

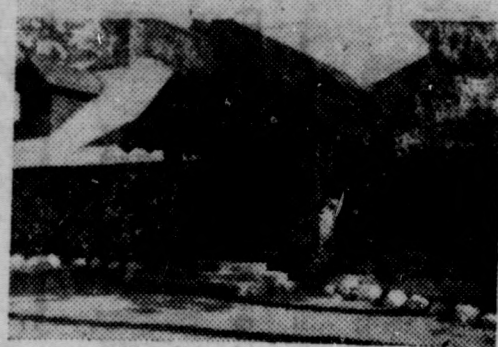

Kester was taken to the Villa hospital by Daly City police, Sergeant W. W. Sunderland and Officer George Savage, who investigated the accident. The injured man was treated for a cut on the hand.

Both machines were damaged in the scrape. Kester was driving east on Miriam street when he approached the intersection and the truck was traveling south on Miriam street.
